PROCESS FOR CONTINUING EDUCATION REVIEW

You must keep all CE documents (certificates, course content, objectives, time-frame agenda) in the event your renewal is randomly selected for CE review, but only then must you submit the information. A copy of the allowable Content and Objectives is enclosed on the second page of the Methods for Earning Continuing Education table. ***The attestation statement on your renewal application form replaces the CE transcript previously required. The online renewal option also includes a CE attestation statement instead of a CE transcript.***

ASHA Programs Are Not Automatically Approved

Please retain certificates, course content, objectives, time-frame agenda in the event your renewal is randomly selected for CE review. *ASHA evidently expanded their approvable content topics. Some topics may no longer meet Kansas regulatory requirements.*
